PAGE 2. DID YOU SEE ?

DID YOU SEE ?

Did anyone see the Channel 4 programme on the N.F. ?

Well they didnt do very well, they only featured the treacheras Griffin side, and didnt mention the flag side at all. Maybe beacause they arent pro I.R.A and Gaddaffi.

narrington openly spoke about Gaddaffis Green book, praising it and saying Gaddaffi is misunderstood maybe because the

N.F. is funded by Libya and narrington gets his wage from there.

IAN STUART didnt have a chance to air his views properly So viewers only saw one side of the story.

Ma ybe because the producer of the programme was a so called GERRY GABLE, a Jewish writer and photographer for the anti NAZI paper SEARCHLIGHT.

RECORD REVIEW

NO REMORSE "THIS TIME THE WORLD"

This is No Remorse's first L.P. and I hope there are many more. The L.P. opens with the title track, followed by one of my favourites "BLOODSUCKER". Another and probably my favourite track on side 1 is "THE TREE OF LIFE" which has a great tune and lyrics. Side 1 closes with the track "WE SALUTE YOU" dedicated to Rudolph Hess.

It tells of the treachery of the British Govt during World War 2. Churchill would rather go and watch the Marx brothers than talk with him, he said Hess was mad. Decide for yourself?

Side 2 opens with the crowd's favourite "SMASH THE REDS" and carries on this flavour, through "NIGGER", and into "HAIL THE ORDER" dedicated to Robert Matthews, the American National Socialist who was killed in a shoot out. The L.P. finishes with "MOTHER ENGLAND" This is a patriotic track going back to their roots. And finishes with a good guitar solo. This ends an excellent debut L.P.

ZYKLON B

MAGAZINE DE LA REVOLUCION BLANCA

Zyclon B is put together by Fredy from Barcalona, and is one of the best National Socialist zines I have seen. It concentrates more on the political side not musical of skinheads. It features some well drawn art work, and has good articles about one of the top Spanish Skin bands, "DECIBELIOS" who are now Capitalists and shun thier fellow Skinheads. (Hasnt this happened somewhere before)???

Anyway Zyclon B is well worth buying :

Father freed after raping girl aged two

A JUDGE yesterday gave a man probation for raping his two-year-old daughter.

MPs erupted in fury at the sentence even as the 40-year-old father walked to freedom.

But the judge said: "It is a question of judgment. One can get it wrong but one must do the best one can."

Indecent

The man, who also admitted attempted rape and twice indecently assaulting his daughter, was put on probation for three years. He has to live in a hostel and undergo psychiatric treatment.

Last night Tory MP Harry Greenway stormed: "I would have thought a long spell in Broadmoor would be the right treatment for this man. At least the child would be safe."

Fellow MP Malcolm Thornton asked: "Doesn't the judge live in the same world as the rest of us?"

And MP Geoffrey Dickens, who has conducted a seven-year campaign against child

By JACK LEE

abusers, was investigating whether a harsher sentence could be implemented on the rapist.

"This monster would have been emasculated at the very least if this had happened in Saudi Arabia," he said.

"I am making inquiries to find out whether this case falls under the new legislation where the prosecution can ask the law officers to review a sentence thought to be inadequate.

"Unless something pretty radical is done, we shall never win this war against child abusers."

The judge, Mr Justice Schiemann, said at Sheffield Crown Court: "If I send him to prison, he will come out with still

the same personality defects that he has at the moment.

"I take the view that the best way to ensure this doesn't happen again is to cause him to be treated under supervision."

Divorce

The rapist had spent four months in solitary for his own protection and his wife was divorcing him, the court heard.

The sentence is bound to spark calls for a debate in the Commons when MPs return tomorrow from their summer recess.

Labour MP Ann Clwyd said: "There ought to be a standard minimum custodial sentence for rapists. There should have been a punitive sentence which would also have protected other children."

This Article is one of many which shows the lenient sentences being dished out to child molesters, rapists etc.

It just shows how weak the judges are, when it comes to imprisoning patriotic people who air their views, (Tyndall, Pearce) etc What about the so called "FREEDOM OF SPEECH"

This issue we feature the infamous GAY VICARS !
 There is a long list of perverts within the Catholic and Church of England. Every time you pick up a newspaper, there is a new case. With a new vicar ! But the same old crime ! This one has a slight twist. During a choir practice a poor young child was subjected to several indecent assaults. The twist is that there were 2 priests trying to get into one boys trousers ! The truth is ugly and must be faced and dealt with at once !! Reverend ley and Reverend Jon man are still in the Church. Reverend Crossley is facing 4 charges of assault on young boys, and still they remain. These perverted scum should be hung, drawn, and quartered. But they still remain in the Church ! The English Church is becoming a Haven for perverts, child molesters, and other forms of scum. 40 years ago none of this was heard of because perverts, child molesters were few and far between until the present system and Government have allowed this evil scum to preach to our people. Unless there is radical changes soon, being a child molester will be the norm. There is only 1 way we can get rid of this menace
 RADICAL NATIONAL SOCIALISM !!!!!

Youth hit black PC in town-centre flare-up

A POLICEMAN had a front tooth chipped and several other officers were hurt in a Town Centre disturbance involving 60 people, Rochdale magistrates heard on Wednesday.

greeted with cries of "You black bastard," when he went into the crowd, said Mr Robert Davies, prosecuting.

Sentence

The disturbance, on 14 March, involved skinheads and other youths, and completely blocked Drake Street for 30 minutes.

Andrew Higginson,

aged 18, of Upton, Freehold, was sent to youth custody for a total of six months.

He was given three months for using threatening behaviour on 14 March, and three months for a similar offence in Fleece Street on 3 January, the sentences to run consecutively. He was also given a three-month sentence for assaulting PC Ul-Haq to run con-

currently.

Mr Davies said PC Ul-Haq was one of the first police officers to go into the crowd.

A youth with Higginson was arrested and taken to a police van, but Higginson among others, tried to intervene. Higginson struck PC Ul-Haq, forcing him to release the youth.

The officer then pushed his way through

the crowd, took hold of Higginson, who was taken to the police van, after a violent struggle.

Rearrested

The first youth then reappeared and caused trouble, which enabled Higginson to escape. Instead of leaving the scene, Higginson continued to shout abuse and was rearrested.

Mr David Chad, for Higginson, said his behaviour was most reprehensible, there were no excuses. Higginson had an alcohol problem and the offences were committed while he was under the influence of drink.

He tended to be drawn into situations where disturbances were likely and he became aggressive.

Mr Chad added that Higginson had a baby daughter by his girl friend, with whom he had a good relationship and intended to marry.

NEARLY 200 people at a public meeting organised by Rochdale Communist Party, left early to avoid confrontations with National Front supporters.

Heather Malley, chairman for the meeting at which Mr Ken Livingstone, MP for Brent East, was the main speaker, told the audience that police had asked for it to be wound up by 10.20 pm.

"There are gangs of the National Front outside," she said. "They are in the pubs. Please do not call in any

of the pubs — just get in your cars."

She thanked the police for doing an "excellent job."

The meeting, jointly organised by the party and the magazine, Marxism Today, was in the function room at Braces, Baillie Street, Rochdale, on Friday.

Police patrolled Baillie Street before and during the meeting and were reinforced when the audience left.

A police spokesman said no incidents were reported and everything had gone "very well."

MR Ken Livingstone, MP for Brent East, ponders a point at a public meeting organised by the Rochdale Communist Party. (E5938)

The greatest leader of the century was Adolf Hitler who fought for the cause of the Aryan, whilst providing us with a German National Socialist example that the most important thing was to fight for your race.

In "Mein Kampf" the fuhrer left us with the weapon to last for eternity.

The truth about Multi Racialism and the power mad, money hungry scum, who insist we should pollute our blood and culture.

The Aryan Man should look after his body and mind, and also his fellow Aryan and also have content for Non Aryans.

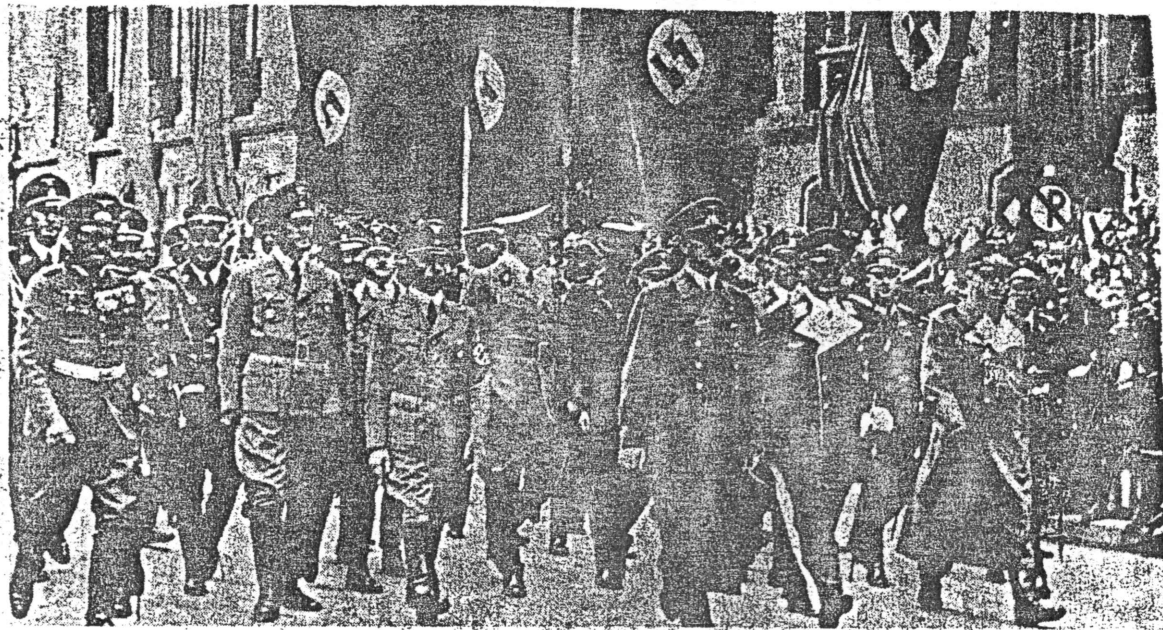

He should have pride in his race and have the will to fight and protect, and also be courageous.

The Aryan fights for his Family home, race and state, and can trace his ancestry back to the Warriors of the Vikings, Celts, Danes and Gauls. Many say that this is Mongolisation. But this provides us with the ultimate Man, THE ARYAN MAN

The Aryan Man has provided us with the best composers, soldiers, leaders and inventors. The list is endless.

The non Aryan has provided us with pacifists, money lenders, drug abusers, and also homosexuals.

This is one of the greatest evils in Society today, the truth is that it isn't trendy, natural and enjoyable. It is the product of a diseased mind.

TORMENT OF WHITE BOY JOE

Asian bullies hound him

This is a disgusting example of Racial violence by **BLACKS**. If this was the other way round, there would be an uproar and an enquiry. But as it says "You cant be racist to a White person"...Can you ?

RETURN OF THE VALKYRIES!

EXCLUSIVE by BRENT BAKER
SCHOOLBOY Joe Murphy has been the victim of a gang of race-hate thugs for a year... because he is WHITE.

The campaign against the 16-year-old lad began when he was told by an Asian bully-boy: "Kiss my feet, you white trash."

When Joe refused, he was stabbed in the leg with a school compass. Since then, a mob of up to 30 Asian pupils have **SLASHED** him with "religious" bracelets, **BEATEN** him with rice flails, and **BITTEN**, punched and kicked him.

After the latest attack last week, he was taken to hospital with head wounds and bite marks on his chest.

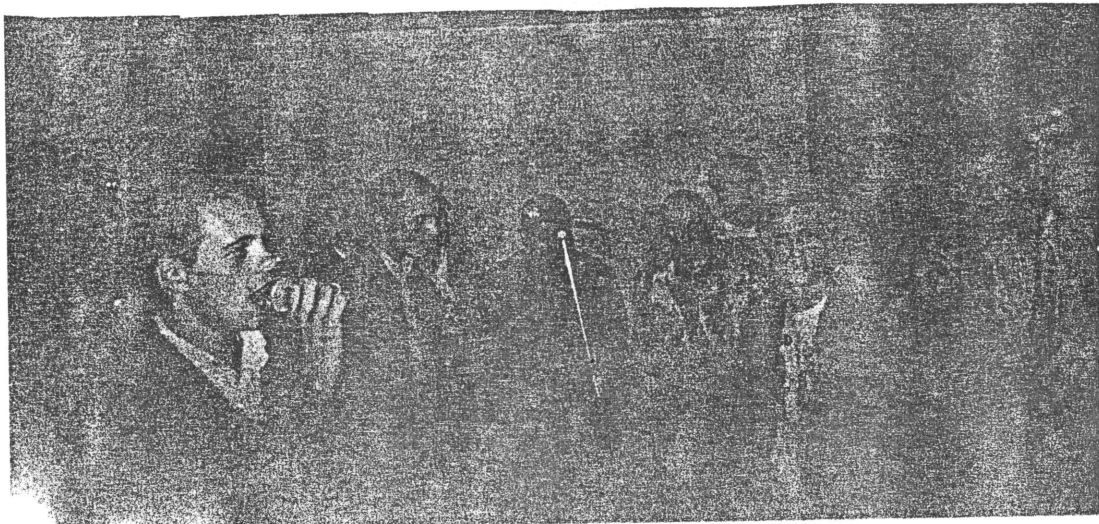

Complain

But his parents claim that when they phoned the school headmaster to complain, they were told: "You can't be racist against a white person."

Joe, a 6ft 3in gentle giant, goes to Lampton comprehensive in Hounslow, West London, which has a 50-50 mixture of Asian and white pupils.

His mother Marion, 37, said: "It has become a nightmare for him."

Hounslow schools chief Doug Trickett said six Asians were suspended and three expelled after the last attack.
